## HOST COMMITTEE CHAIRMAN MAUREEN CONSIGLIO

**COME ONE, COME ALL** to participate in a chance of a lifetime where you can do something for God's kingdom! I would like to invite **YOU** ... LWML members, the women in the pew, spouses and family members to **COME TO PITTSBURGH, June 27-30, 2013!**

The first time that an LWML convention was held in Pittsburgh was June 26 and 27, 1961. That's 51 years ago. There were 2,050 in attendance at that convention. We are expecting almost double that in 2013. That's why we need at least 500 pair of helping "hands to work for Him, feet to go on His errands and lips to proclaim His redeeming love ... and our will to do His will". There is something for everyone to do at God's convention.

Please consider completing a Call for Workers form (found on page 7); send to Honey Pabst whose address is found on the form. Make sure to number in order of preference the area where you would like to work.

Workers at convention will receive a \$65 reduction on their registration in exchange for a commitment to work two four-hour shifts. You should NOT send in your registration form until you receive the special coupon that needs to be attached. Additional instructions will be coming soon.

While you wait for your assignment, remember to sit at Jesus' feet and listen to His voice. Seek the living water that only He can give and you will be *"Quenched! by the Water"*.

## COUNSELOR'S CORNER

### WATER?

While pondering the theme of the convention, the following phrase came to mind, "Water water everywhere, nor any drop to drink" from Coleridge's "The Rime of the Ancient Mariner". There was a time

when you would not drink the water of the Hudson River neither would you swim nor eat anything out of it. The water had become so polluted that the use of it could bring about sickness and death. If that was the case for the rivers that traverse through Pittsburgh, I am not aware. The unfortunate reality is that many bodies of water were so polluted that they had become cisterns of sickness and death.

We live in a world that is filled with ideas, ideologies, philosophies and spirituality flowing from all directions beckoning a spiritually thirsty world to drink from their fountains of hope and tranquility. In truth, what they are offering will bring neither hope nor tranquility. They will never satisfy one's spiritual thirst. What the world is offering is polluted water that comes from cisterns of sickness and death. Jeremiah warns that the Lord has said, "My people have committed two sins: They have forsaken me, the spring of living water, and have dug their own cisterns that cannot hold water." In our world that has been turned upside down by sin people look for answers and hope anywhere they might find it. They are like the ancient mariner, their life stranded in

place due to circumstances beyond their control. Day by day things seem to get worse and hopes for some wind that might change their lives grows dim. The difficulties in life have become albatrosses around their necks so that despair overwhelms them and they lose hope.

They should not give up for there is hope in the Lord! We can offer to them what Jesus offered to the woman at the well, 'Living Water' that will quench their thirst. As we share the Lord's Word with the people who cross our paths daily, or those whose paths we will cross in Pittsburgh, the promise of Christ is that, "the water I give him will become in him a spring of water welling up to eternal life." Jesus is our hope and salvation. The opportunities will present themselves to introduce many to our Lord. The hope is that as they come into a relationship with Him, they will find, as Isaiah proclaimed, that "with joy you will draw water from the wells of salvation." May the Lord bless us as we prepare to host this convention that it might be our privilege and joy to hear the rush of that Pentecost wind in Pittsburgh and see Christ move and touch the lives of many. May we see individuals "with joy...draw water from the wells of salvation" that their thirst might be quenched.

## A PRAYER FROM OUR PRAYER CHAIRMAN SHARON ROEGGE

Heavenly Father, You have given Your Word to us – to guide us, to give us peace, to show us Your love and how to show love to others. Let Your Holy Scripture be in our hearts and minds as we daily strive to achieve the work You have chosen for us to do. Give all of us perseverance to carry out Your plans. Thank You for the beautiful world You've created. Let us boldly remember to tell others who created this beauty. May others see our joy in working together being "Quenched! by the Water" that they too will join with us to bring You glory through Your convention. In our Savior's name we pray. Amen.

**PRAYER REQUESTS**—Any prayer requests for the convention can be emailed to Sharon Roegge at [skroegge@pa.metrocast.net](mailto:skroegge@pa.metrocast.net)

2013 Pittsburgh LWML Convention —Volume 1, Issue 2 September 2012

**Guest Services Coordinator  
Deaconess Sylvia Johnson**

Who would have thought that six districts would be hosting a national LWML Convention? It was the dream of several of us, now serving on the Host

Committee, who were District Presidents back in 2002. The idea took flight. The delegates at the Tampa Convention liked what they saw on the video specifically prepared by the Pittsburgh Convention Bureau, and here we are preparing for Pittsburgh in 2013. It is coming fast.

Your Guest Services Department consists of the following chairmen who will help to make your convention experience one you will always remember.

**Child/Youth Care Chairman Jessica Sauer** and her Directors are planning programs and activities for the various age groups. They are searching the Pittsburgh area for possible field trips for all ages and servant activities for the teens. Her committee is investigating local and state legal requirements and making certain all staff and workers have gone through background checks.

**Food Services Committee Chairman Linda Bizzaro** is knowledgeable of all food functions which have been arranged with the caterer by the Convention Manager. Linda will be coordinating special events in cooperation with the Convention Manager, and will be scheduling hostesses for the dining area and all food functions, making certain that all attendees' identification is checked for meal functions.

**Packet Materials/Registration Committee Chairman Karen Bombria** will be recruiting many workers to complete the packet assembling process, seeing that the packets are assembled with materials that have been approved by the national LWML Executive Committee. Karen will be making sure that there are adequate personnel for the registration process during all registration hours.

**Transportation Committee Chairman Sarah Reinstadtler** is working with the Convention Manager to provide shuttle transportation when needed and to coordinate the district charter buses. Sarah will be providing parking information for all modes of transportation, will schedule hostesses for all areas when transportation is used, and will arrange VIP drivers for special guests and presenters as directed by the Convention Manager. She will also oversee luggage storage at the convention site on Sunday morning.

**Tours Committee Chairman Heather Juzwa** has been hard at work with the Convention Manager in setting up quality pre-convention and post-convention tour opportunities. She has contacted area tour companies and arranged interviews with the companies and the Convention Manager. It is Heather's responsibility to obtain necessary personnel to assist tour participants, and to assemble local sightseeing information and make it available to convention attendees.

We thank the Lord for these talented women who have committed their time and talents for service to our Lord and His Convention. Please keep these ladies and their Directors in your prayers as we continue to plan for Pittsburgh 2013.
