Together in Christ

Fellowship is a word most Christians know. Our use of the word fellowship in congregational settings comes from the Greek word *koinonia*. Fellowship probably conjures up thoughts of pot-luck dinners, or some social setting after worship on a Sunday but when the New Testament uses the word *koinonia* it means more than only a social gathering. Come and listen to Pastor Justin Smith reflect on this New Testament idea and how the New Testament's view of *koinonia* can still shape our congregational life today.
