**PRAISE GOD:**

LWML-NED has received **\$1,955.58** toward funding the **\$3,000** needed for mission project 6B, Missionary for Central Alaska

**\$38,837.57** has been given toward the **\$57,000** Total Biennial Mission Goal.

**I PRAISE GOD FOR YOU TOO!**

You can go onto the LWML website, to read about or watch the video about these missions. LWML placed a link on the LWML website, ([lwml.org](http://lwml.org)) to a video featuring all 33 Mission Grant proposals placed on the convention ballot and these mission grants were the grants chosen. Please pray for this mission goal, these missions, and those they serve! Also, on the LWML website you can view all the archived sessions of the live streaming from Convention. They have been a real blessing to many of our sisters!

We also have a new LWML President, Patti Ross! Please keep her and all the newly elected officers in prayer.

Please also, continue to pray for our New England Missions Grants and our LWML New England Mission Goal. Thank our awesome God for the privilege that He has shown to us, in sharing the Love of Jesus with others! We continue to work toward funding these New England District Mission Grants. Ladies, we are currently \$1,044.42 away from completing the \$3,000 funding of LWML New England District mission grant 6b - Missionary for Central Alaska with Alaska Mission for Christ.

Blessings as you serve Him in all you do!
