June 1, 2015

Dear Mite Collecting, Prayer Warrior Sisters,

The Time is Now for the 2015 LWML Convention! I am happy to pass along the information that once again, **LWML Will Live Stream the Convention!** All our sisters in Christ in New England and across the nation will be able to join in the worship services and programming of the 36th Biennial Lutheran Women's Missionary League (LWML) Convention to be held June 25-28, 2015, in Des Moines, Iowa. LWML will offer high quality, real-time video streaming of all events taking place in the main convention hall. Those not able to travel to Des Moines will be able to participate via their own computer, tablet or smartphone, and even display it on a large screen television in their church or home. Groups are encouraged to host any or all LWML programming events via live streaming as they occur in real-time in Des Moines.

LWML placed a link on the LWML website, (lwml.org) to a video featuring all 33 Mission Grant proposals placed on the convention ballot and all may view the video and delegates can prayerfully make a more informed decision. This video will be available for all interested in these missions.

A Convention Highlights video, and a video of the newly selected 2015-2017 Mission Grants, will be available via a link on the LWML website several weeks after the close of convention. This is wonderful for anyone wanting to share their convention experience with those in their churches and communities. More information will be shared on this exciting technology in the coming months.

We will soon have all these newly elected national Mission Grants to fund! Please continue to pray for these missions, those they serve, and those who are serving. Also, please continue to pray for our New England Delegates, as the Lord works through them at convention. And please pray for their safe travel.

Please, also, continue to pray for our New England Missions Grants and our LWML New England Mission Goal. Thank our awesome God for the privilege that He has shown to us, in sharing the Love of Jesus with others! We continue to work toward funding these Mission Grants. Ladies, we are currently \$1,893.45 away from completing the \$3,000 funding of LWML New England District mission grant 6b - Missionary for Central Alaska with Alaska Mission for Christ.

Blessings as you serve Him in all you do! I pray that we all might continue to seek Him by staying in His Word, and remember in prayer our fellow sisters in Christ.
